Dear Sir,

I write to formally notify the Bank that my official laptop has become non-functional. The system has failed to power on since Wednesday, 18 February 2026, despite previously showing signs of malfunction prior to that date.

In view of this development, I respectfully request approval for the necessary repairs or, if deemed appropriate, the procurement of a replacement laptop to ensure continuity of my official duties.

I would appreciate your prompt consideration of this request and look forward to your favorable response.

Thank you for your time and attention.
